What is that?

Flying in the air stood a humongous pigeon.

Nothing wrong with that.

Except for one thing.

It had a Bieber face.

Roughly five foot in size, a Bieber bird had purple and green feathers (clown colors) and pond scum colored eyes.

Chapter 3 by N8

The world would plunge into the deep depths of hell, ruled by the worst of the worst. Bieber.

Chapter 4 by xCringe

People began to run to their shelters, grabbing whatever they need to survive. The army began taking action by capturing Bieber birds and taking them to labs. Everyone was running from their lives. All the fangirls were turned into the Bieber bird's minion. A rebellion started to take down the Bieber bird empire. They had to take down the princess, in order for the empire to crumble.

Chapter 5 by Saranya ~ HEROES OF LIMBO (PM me to join!)

Bieber's princess was a woman whose name was unknown.

The SSSS, or the Secretive, Seclusive, Secret Soldiers, needed to know the Bieber Bird's princess's name in order to destroy her.

When they finally found out what the name was, it was discovered by a spy who pretended to be a Bieber Bird minion.

"What was the name?"

"Are you sure you want to know?"

"I've waited long enough for this moment. Yes!"

"...Hanna Montana."

Unluckily, the SSSS's leader was a huge fan of Hanna Montana.

He became a Bieber Bird minion.
